

Specifications

- LED: red
- LED forward current: 20mA
- LED forward voltage: 2.1V
- type: off-(on)
- cap colour: black
- rating: 400mA
- dielectrical strength: 1,000VAC rms
- contact resistance: 50mΩ
- electrical life: 500,000 cycles
- soldering: max. 300°C (for 3 seconds)
- material: polyamide
